### Next Up...

Follow our wizard to get your Play-Cricket account correctly configured and linked to any Clubs, Leagues or County Boards that you currently belong to or intend to join.

**GET STARTED...**

If you are wishing to add a child/children to your account you will need to select that you are a parent of a child who is a player. (This will enable you to set up your own account and your

child if under 16 will be added to your account so you can manage their details and availability)

Welcome Tammy Test

## Get Started

Let's get started by defining any clubs, county boards or leagues you belong to or intend to join.

**i** If you perform more than one function for a club, you only need to add the club once. If both you and your child play at the same club, please apply once as a parent

Is your primary involvement with cricket as a...

☐ a) Player

☒ b) Parent of child who is a Player

☐ c) Scorer

☐ d) Umpire

☐ e) A volunteer, committee member or other type of official

NEXT >

You will then be able to select whether your child plays for a club or county board, select the name of the club/county board.

### Step 3. Parent of a Player

Reason to apply for a parent account of this club

If you populate your address now this will be reflected in your child's record later. An address will be required if your club is going to register your child with a league, and if not it will still be helpful if you could populate the county as this will help the ECB analyse player participation across the country
